About Me

My name is Kara Francis and I have been in the hair industry for over 2 decades. I am a specialist in the colouring and cutting of all hair textures. Making people look and feel their best is something I take pride in as I strongly believe that everyone has something that makes them uniquely beautiful. My job is to bring to light that which is already there, so they can leave my chair oozing with confidence and strutting to the sound of their own personal theme tune.

Jane

“ My colourist Kara is super knowledgeable and is really passionate about colour. I just love the hot towel and head massage when I'm at the wash station. All in all, it's a 5 star service for me every time! Best hairdresser in London. ”

Naomi

“ Upon meeting Kara for the first time my hair was very damaged. Kara listened to my hair woes before making me feel at ease. I received a conditioning treatment, cut and blow dry. She even provided me with tips to maintain my hair. Absolutely amazing experience. ”
